## **Instructions to authors**

- 1-The journal accepts original unpublished papers in different agricultural fields .
- 2- Articles should be examined by academic referees, Author must correct and comments made by the referees for acceptance.
- 3-The papers are written either in Arabic or English , (authors must present four copies ,one of them contains author's names and other copies without names) ,and they should be printed on one side of (A4)paper & a copy on CD by word system.
- 4-Use Simplified Arabic line for Arabic language and Times New Roman line for English language are used , both of them are the size (14) letter type for the text and (16) for the title ,with a single space between lines.
- 5-Papers should include Arabic &English abstract and shouldn't be more than 250 words.
- 6-Papers arrangement is as follows: Abstract in Arabic , Abstract in English language ,Introduction, Materials and Methods ,Results and discussion ,conclusions acknowledgement (belong to the author) and their Arabic &English References .
- 7-References should be listed according to the number of the reference in the text .
- 8-Tables &Figures should be clear and contain subtitles describe their contents .
- 9-Manuscript title should include the author's addresses & e-mail and keywords .
- 10- Manuscript mustn't be more than 21 pages and leave 2cm from each side of the paper.
